PATENT

Therefore, no concise explanation of the relevance of the documents is believed to be required under 37 C.F.R. §1.98.

Documents FC and FD are not in the English language. However, the concise explanation of the relevance of the documents required under 37 C.F.R. §1.98 is believed to be satisfied by the submission of English language abstracts thereof. Please note that the abstract of document FC is identified as entry 93: 96149z, "Polyorganosiloxanes". The abstract of document FD is identified as entry 94: 105058u "Polyorganosiloxane resins".

Document FE is also not in the English language. However, the concise explanation of the relevance of the document required under 37 C.F.R. §1.98 is believed to be satisfied by the submission of an English language translation thereof.

Documents UA, UB, FA and FB have been cited in the International Search Report of the present application. A copy of the search report was submitted to the Office on October 11, 2005. The relevance of each document is also discussed in the International Search report. Please note an Examiner's obligation to consider documents cited in an International Search Report according to the provisions of MPEP §1893.03(g).

Document FA is described in the paragraph beginning on page 3, line 28 of the specification of the present application. Document
